

DOUBLE *your* IMPACT

Dear Global Trust Management, LLC,

You're a lifesaver. I mean that literally. With your past support, the Humane Society of Tampa Bay has been able to save the lives of pets who were hurting and afraid. Today, those pets are happily living with wonderful families.

I am thrilled to tell you that we now have an opportunity to do even more to help pets!

Thanks to the generosity of Doris Kondash, you can **DOUBLE your impact!** In memory of her pets, Gus and Chiefy, she will match — dollar for dollar — every gift made before October 15th. Your gift to the Humane Society of Tampa Bay will go twice as far in helping pets who need us right now!

We would love to count on you for a gift of \$15 or more. Remember, your donation will be doubled to \$30 if you respond now! There has never been a more powerful time to give.

Dogs and cats end up at our shelter because they were abandoned or are found wandering the streets. Many more of them are turned in because their owners died or can no longer care for them. Some pets have medical issues, and some are just emotionally traumatized. After their bodies and spirits are healed, we go to work to find them a new home, someplace where they will be loved and cherished forever.

Now we challenge you. Please return your gift in the enclosed envelope today. Remember, gifts received before October 15th will be matched.

Every gift you make to the Humane Society of Tampa Bay is a lifesaving gift, but this one will go twice as far. On behalf of the pets who will be helped by your kindness and generosity, we thank you!

With gratitude,

Sherry Silk, Executive Director

P.S. Help us take advantage of this amazing opportunity to make your money go twice as far by sending your check by October 15th. Thank you so much for your kindness!
